HELP DESK/ NETWORK MANAGEMENT STAFF LEASING

Our Staff Leasing program enables you to build your team and manage their direction. Whether you are a Managed Service Provider (MSP) or corporate entity, Raso Solutions will partner with you to deliver 24/7 phone or online chat using your processes and efficiencies. Your customers work directly with our senior-level, Microsoft-credited technicians from the start, eliminating the need for time-consuming internal escalations.

Raso Solutions provides you full control of interviewing and selecting your team. Once selected, you have full control of the people, processes, and efficiencies. We are the next level of technical support, with 20+ years of experience to ensure a superior customer experience and improve customer loyalty.

Personalized technical solutions partnered with excellent customer service.

WEB/ SOFTWARE DEVELOPMENT

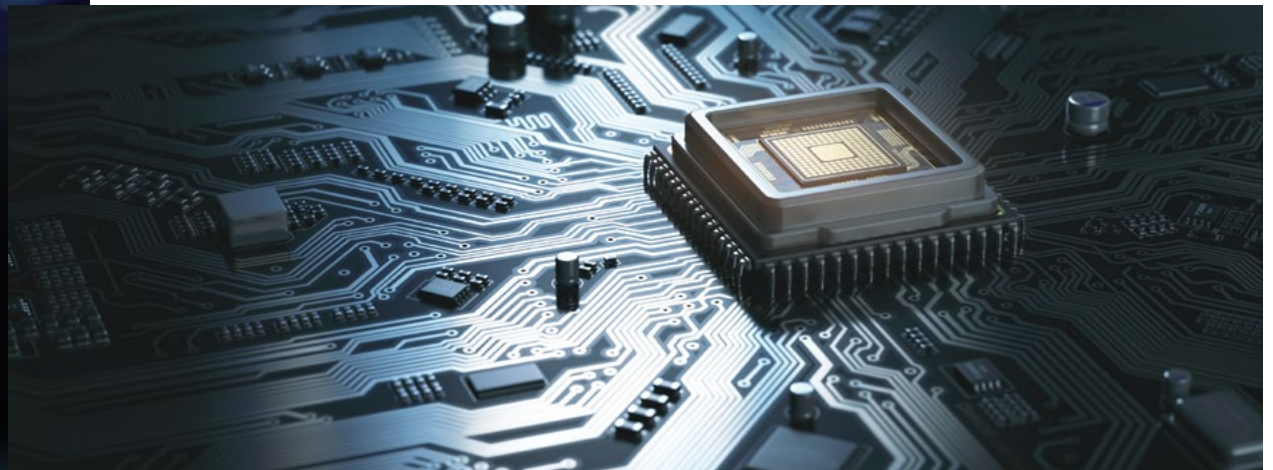

We at Raso Solutions are your trusted web development partners for the highest quality service. We do NOT outsource, we staff lease. You get to interview and build your own team in our Global Delivery Facility in the Philippines.

At Raso Solutions, we are experts at building I.T. and Development teams. We have had the pleasure of finding over 435 I.T. and Development professionals, working on web development, mobile applications development, and SEO services, sourced quickly to fit within our clients' project budget.

We are headquartered in San Diego, CA, with a Global Delivery Center in the Philippines.

Our Services

- Visually-stunning web design, responsive and with UI and UX considerations.
- Robust custom web application development with open source implementations where necessary.
- Smart iOS and Android app development. Insightful business intelligent consulting.
- Strategic SEO & Social Media Management (SMM).
